Terms of Use

Daily Board (free version) · version 1.0.0

Thank you!

Thank you for downloading the free Daily Board. I hope it gives you calmer mornings. If it helps your class, a review on Teachers Pay Teachers means a lot.

Your license

This free download gives **one teacher** the right to use Daily Board (free version) with their own classes, on any number of devices they use for teaching.

You may

- Use it with all of your own classes and students.
- Show it on your board, projector or screen.
- Keep copies on your own computers and as a backup.

Please don't

- Give or email the file to other teachers.
- Upload it to school or district shared drives, websites, learning platforms or anywhere others can reach it.
- Sell it, share it for free, or claim it as your own.
- Change it and share the changed copy.

Sharing with colleagues? Please send them the link to the free product on Teachers Pay Teachers, so they get their own copy.

Privacy

Daily Board has no ads, no accounts and no tracking. It works without the internet and never sends anything anywhere. Everything you type is saved only in the browser on your computer and in backup files you choose to make. Use first names only for birthdays, and follow your school's rules about student information.

Good to know

Daily Board was tested carefully, but computers and browsers differ: please try it on your own devices before relying on it in class. Holiday dates are worked out from each country's rules; check them for your school in Edit → School year. If anything doesn't work, ask in the Q&A on the Teachers Pay Teachers product page.
